

We're Growing!

Here's Why We Need Your Help

Since the wig boutique opened, 1,977 free wigs have been given to cancer patients.

The number of fitness class locations has increased from two to seven over the last three years.

95%

95% of surveyed participants report improved quality of life.

Visits to nutrition classes have increased 143% since 2014.

Over the last five years, networking group attendance has increased 194%.

1,330 visits have been made to Kids' Camp and Kids' Club since 2009.

Founded to serve Homewood/Flossmoor, we now serve two states, seven counties and 104 communities.

With your help today, The Cancer Support Center can continue to provide hope, help and healing to anyone affected by cancer.
