

*Sixteen years ago, I found myself searching for a way to make something positive out of a HORRIBLE situation and started this golf outing.*

*I couldn't change what happened, but I could help other women and their families that were facing cancer. With your help, we have raised hundreds of thousands of dollars and helped many people.*

*We couldn't have done it without you!! My son and I personally **THANK YOU** for all of your support.*

*A great deal has changed during these years, but my goal of helping people faced with cancer hasn't changed!*

*Many of you have been with me for all of these years. I am proud and grateful that you still come out to golf each year.*

***I hope you will join my family and Lynn's family for a day of golf again this year!***

*Bring your family and friends to join us for a wonderful day of fun as we celebrate the lives of those lost and those that survived and provide help to all of those families that face the fight of a lifetime.*

Anthony Panici  
Event Chair

## Helping Families Impacted by Cancer

Your support of The Lynn Panici Golf Outing helps make a difference in the lives of thousands of people diagnosed with cancer each year as well as their loved ones.

You make it possible for individuals to find hope, help and healing through programs and services at The Cancer Support Center. All programs are offered at no cost to the participants.

You helped The Center provide more than 12,300 hours of programming to nearly 4,600 people last year including:

- Counseling to individuals, families and groups to help them cope with the distress that comes from a cancer diagnosis.
- Nutrition counseling and cooking demonstrations to help individuals learn how to eat to offset treatment side effects, reduce risks and improve overall health.
- Fitness and wellness classes including yoga, massage therapy, moves that matter, breast cancer boot camp and more.
- Education classes to help individuals understand more about diagnosis, treatment options and medical terminology.
- Children and family-oriented programs for more than 325 individuals.
- More than 300 wigs at no cost for women with cancer.

*Providing guidance, strength and support to anyone living with cancer and their loved ones.*
